The plain language of the statute provides that the 6103(i) order can be issued for preparation for any judicial proceeding pertaining to the "enforcement of a specifically designated Federal criminal statute."

I know that money laundering is Title 31, so that's a different Title/statute from mortgage fraud and I'm thinking that mortgage fraud is Title 18(?) and Narcotics is title 21. So, yes, he would need another 6103(i) order to cover the narcotics and money laundering.
